RELEVANT EXPERIENCE

Media & Communications Intern | GWS Program, Appalachian State University | August 2026 - Present

- Rewrote program website copy, restructuring content to eliminate redundancy and align with AP Style and university brand standards
 - Built and maintained a digital repository platform for the program, including content organization, user access, and contributor documentation
 - Designed supporting print/digital materials, including, but not limited to, submission forms, flyers, logos, and stickers
 - Planned and produced a promotional video for the program homepage
 - Worked directly with faculty supervisor to revise deliverables based on feedback under real deadlines
-
